JILLY'S CAR WASH IS DIFFERENT

We believe that efficiency should not sacrifice service. That is why we go the extra mile to provide hands-on service for each vehicle before it goes through the wash. Every vehicle that enters our wash receives a **FREE** car scent and is hand sprayed with a cleaning agent and a bug removal applicant (if necessary). **If you select one of our top three washes, you will really see how we pamper your car by spraying and scrubbing your vehicle.** Special guests - kids and pets - get a treat.

FREE USE OF DETAIL CART

A detail cart containing towels, window cleaner, detail brushes and more is available for use so the inside of your car is as clean as the outside.
